Summer Concert Concession Report/Summary

We used sign up genius for families to sign up one time this summer.

The family attends to set up, cook hot dogs, make coffee at 5:30.

Families who worked the concessions will have monies deposited in their student's accounts to count toward their trip fund.

Hot dogs were new this year and the sales went very well.

We hope to have donations from a local grocery store for next year. We received a \$100.00 donation from Tops.

A suggestion for next year is to pack up after the intermission. The busiest times are prior to the concert until intermission ends.
