Band Directors' Reports: Mr. Vitello/Mrs. Runfolo

Jazz Concert: All three groups will perform at the jazz concert! We will start livestreaming at 7:00 with MS Jazz Band and proceed to Vocal Jazz then to High School Jazz Band. We will be giving a flower for all the seniors to wear and are only having parents of seniors attend live. The jazz kids can stay and listen to the other groups - we'll space them apart. Tickets will be printed for parents of seniors. Covid protocols will be followed. There will be breaks between groups and cleaning of chairs for the student musicians. They will do temperature checks and have covid liability forms filled out with contact tracing for the seats for the concert.

We must have a seating chart for Kleinhan's. Bussing information will be coming. Each group will bus down to the venue and go home with parent/guardian. Program is almost done, the ads need to go in as well as family ads. Cindy M. will talk with Rita on Friday about the program when she picks up the ticket orders.

Summer Band is going to happen. The concert will be in the town park on Thursday, July 15. More information to come as it is closer.

Summer Lesson packets have gone out. Some lessons will be virtual and others will be in person.

Treasurer's Report: Steve Guidie/Kelly Clinard

We have our printing cost for tickets. Awards have been ordered and paid for. The P.O. Box yearly rental fee has been paid. Nichole Gsell has said

she would be willing to co-treasure next year. If anyone else has a nomination let us know.

Thank you to Kelly Clinard for your service as co-treasurer.

Band Banquet: Wendy Garson and Maria Reed

Letters have been sent out. Forms should be returned to Wendy asap. The deadline is June 1.

Cindy M. please send out an email blast reminder to get the forms returned this week and next week.

Wendy will pick up the programs at CHS on June 9.

The Senior video is being compiled by Alyssa Issacson and Chloe Miller. There is a screen, etc. at the site. Chris B. will help with any technical set up.

Volunteers to sign in at 5:30 pm - Kelly C., Cindy M., Chris B. and Evonne M. Students must be told to pick a table and seat and stay in it. Once everyone is seated we will need to go table by table to do a contact tracing seating of each table. We will assign the adult tables for contact tracing.

Is there a menu for allergies/gluten free? Maria will check on this and Lou and Andrea will ask students to tell them if so. We would like to know prior to the event to let Joseph's know how many will need this option.

Kleinhans:

Tickets:

Forms and \$ should have been turned in to school this week. Cindy will pick them up at CHS on Friday.

Seats will be assigned/tickets picked up at Kleinhans before the concert (will-call style). Contact tracing forms will also be collected or filled out when tickets are picked up. Lou will send Cindy the contact tracing form that has been used this year so she can email all families. It would be easier to have it filled out before you arrive. Steve and Tina Guidie and Nichole Gsell will distribute tickets and collect the forms. Chris, Evonne, and Cindy will assign seats, May 16.

If a family has multiple children in different ensembles the seats must be the same.

Lou will ask Kleinhans about seating for families that have only requested 1 ticket. Kleinhans has a seating chart with 2 seats together.

Hall will be cleared between concerts for cleaning.

Program: Printing is being done by Buffalo Design and Printing Marketeers.

Layout is almost done- family sponsorships need to be added in.

Flowers: Lynn Kawa ordered them for us - we are all set!

Lou will confirm chaperones for the buses and request help if needed from faculty.

On-Going Fundraising:

- Dash's Receipts
- Recycling Cans and Bottles

Next Meeting: June ? - Board Meeting at Cindy's house. A date will be sent out to avoid conflicts with concerts and banquets.
