Recap and suggestions:

Too many kids helping, 1 or 2 less adults.

Kids make posters the day prior. Are there pre made signs from Chiavetta's to use?

Signs at the road intersections.

2 colors for pre-sale, door sales was excellent, continue next year.

Have Chiavetta's set up at 12:30, cooking area. Set up in hallway after dismissal. Have chicken ready for faculty/staff at dismissal. Send an email for pick up. We need a skeletal crew to help at 3:15 pm to expedite this.

Make sure all schools in the district are aware of the sale, flyers from Boosters to the schools, email through the PTO to families.

ECIC Swim meet - confirm date so they can order more candy and less pizza.
