Band Directors' Reports: Mr. Vitello/Mrs. Runfola

Request for a refreshment stand for a concert that Alex Renzoni is organizing on Saturday, 7/16, at the Clarence Town Park. Do we have to register with the town?

Plaques are to be ordered for the Wall of Fame, cost has gone up.

Treasurer's Report: Steve Guidie/Nicole Gsell

All accounts are in good order. Vending machine profits have surpassed the last 6 years. Dash's receipts are excellent, almost over the record of 775.00 in 2016. Amazon Smile account has only made \$5. Should we relaunch this? Talk with Chris Brophy about this.

We had a motion to move \$2,000 from the Disney/NYC trip account to the Sub Sale/Banquet account to cover the Seniors for the Band Banquet - carried.

We had a second motion to move \$3500 from the Disney/NYC trip account to the Kleinhans account to provide stability for future concerts - carried.

Notes for fund transfers: The Sub Sale profits subsidize the Band Banquet and Kleinhans Concert. Both accounts have been severely impacted from the Pandemic due to the cancellation of the Sub Sales for 2 years. In years past, we budgeted stand by funds for the trips to Disney and NYC for incidental expenses. Since changing travel agencies in 2015, we have not encountered any unforeseen issues/costs and we should reduce this reserve fund to reflect the current trends.

Band Banquet: Wendy Garson/Cheryl Hereth

Thursday, June 9, at Salvatore's.

Letters have been sent out/returning to Wendy Garson

Please send RSVP reminders in weekly notes to students/families. Final count needs to be in by 6/1.
