Treasurer's Report: Steve Guidie/Nichole Gsell

- Summer Concerts/Concessions recap - \$1,200 was raised for student accounts. It is suggested to purchase a propane grill for the hot dog sales. People love this at concerts.
- Steve requested new student lists with incoming/outgoing students to manage accounts. Transfer to siblings.
- Vending machine has a deficit due to not being used during covid.
- Transfer \$1,000 to the Kleinhan's budget line is suggested.
- Banquet/Sub Sale budget line has \$1,600. We need to work on alternate sale if sub sale is not able to happen due to covid. We have booked Fish fry already but would need additional.
- Taxes are done for the year. Insurance was paid for the year, \$800.00.

Events:

- Chicken BBQ: October 15th - the contract is set. Check on building permit. Is there a swim meet?/Football or senior night? Outside setup may be the way to go. Students will earn \$ for all presale orders. Online sales will be available. Gift card to the top seller? No student runners or baked goods this year.
- Holiday Poinsettia and Wreath Sale: November 8th - 19th This sale benefits the student accounts. Louise is waiting for a response from Lavocats/Thompson Brothers. Spoth's on Transit may be another option. School pick-up worked well.
- Fish Fry: Friday, April 1st - BW's was contacted and they said we are confirmed. Use the concession stand for pick up. This benefits the Boosters for Kleinhans and the Banquet.
- Clarence Band Boosters Sub Sale - Spring - Emails, social media to get the word out. Pre-Sale online to verify pick-up location: CHS, Clarence Credit Union, 4 Corners of CC, Farmer's Market, Red Barn on County Rd.
- End of Year Banquet: Thursday, June 9th - Wendy Garson and Cheryl Hereth will be in touch after they investigate options - Salvatore's 30.00, Samuel's 31.80. Room fee at Salvatore's. Confirm by 9/15, so we have a contract. Lou brought up Joseph's as well, it hadn't been looked at due to concern if we would fit. If we do, everyone agreed would be the best place since there was an option for kids to go outside for pictures, etc and the venue worked great.
- There are music masks left to sell. Music Secretary, Rita, will send a message to all district musicians.
- Kleinhans - All 3 Bands, Chorus (Treble and Chorale) and Symphonic Orchestra will be included. Wegman's sub trays to feed musicians. John Maguda will be our guest artist. Ticket revenue is needed for our costs due to loss of sales from covid.
- Summer Concerts in the Park - check emails, sign up genius to be involved and help your student's account.

On Going:

- Dash's Receipts - send them to school for Louise Davidson
- Cans/Bottle Returns - we have a 300.00 credit right now. Social media has helped when people donate.

- Vending Machine - BJ's to fill, saves \$. Arleen H. will help. Anthony and Charlie will help fill it. Booster's BJ's membership so we will be tax-exempt. You may have multiple people on the account.
- Invest in a grill for the summer concession stand - yes = \$90 is the cost.
- Amazon Smile account - add Band Boosters to your account, it adds up.
